# Foreword

Cllr G Jaggard  
Leader of the Council

D W Burnip  
Chief Executive

Thank you for your interest in the Council's Corporate Plan for 2008 to 2012. We have undertaken a comprehensive public consultation exercise to inform the Council's direction for the next four years and have aligned our new priorities to meet public demand. This plan explains those priorities, sets out our vision for Forest Heath and will guide our decision making and use of resources in the remaining years of this term.
